Some organisations may require you to undertake a police check

Do you agree to this? Yes ☐ No ☐
Do you have any criminal convictions ? Yes ☐ No ☐

Some organisations may ask potential volunteers to disclose any criminal record (including those termed as 'spent'). This is because certain volunteering opportunities involve working with children and vulnerable adults.

However, having a criminal record does not prevent you from volunteering. If you do have a criminal record and you are not sure how this will affect you as a volunteer you can discuss this with the Lancashire **v**involved team in confidence.

On your behalf, we will contact any organisations you have identified to provide them directly with your contact details, in order that they can start their recruitment process and with more details about their volunteering opportunities.

Are you happy for us to pass on your details? Yes ☐ No ☐

The Lancashire **v**involved team may contact registered volunteers with information relating to volunteering opportunities. Please tick this box if you do not agree to us doing this. ☐
