

RIBBLE VALLEY BOROUGH COUNCIL

Elections

The council's Electoral Registration and Elections unit is based at The Council Offices, Church Walk, Clitheroe, Lancashire, BB7 2RA. You can contact us on 01200 425111 during office hours.

The unit is responsible for preparing the register of electors, which is used for all elections. This includes local (parish/town/council), parliamentary, European and referenda.

You can only vote in elections if your name is on the register of electors for your area. The register is prepared annually every October. This is done by submitting your details on a registration form which is sent to every household in the Ribble Valley area during September.

With the introduction of the rolling registration we can now update the electoral register every month. So if you've moved since October or have been missed off the register, you can get your new details put on to the local register much quicker.

If you have any queries please do not hesitate to contact the Electoral Registration Officer and Elections team at:
