14 June 2010

Dear Sir,

The members of the Parish Council have no objection to the plans to extend the car park at School Lane Car Park, Gisburn Forest. Application No. 3/2010/0421.

They do have concerns about the pay and display element. At present all the parking in the forest is free. It would be better if this car park was also unmetered to avoid roadside parking issues.

Yours sincerely,

Kate Whitwell
Parish Clerk
