11 Park View, Gisburn (former Post office and shop)

320100593P

Additional information

320100593P

### **Section 3 Description of proposed works**

The premises were Gisburn Post Office until April 2010, when the Post Office ceased trading. Previously the building had been used as a village shop/ post office, providing employment for 2 people. The shop had sold take away sandwiches. The previous owners had closed the village shop in the summer of 2009. The Post Office continued trading until it closed in April 2010. Since then the premises have been vacant.

The proposal is to re-open the shop and also open a café/take away within the premises.

The tradeable shop area will remain the same at 49.5 sq m, situated at the front of the premises on Park View, Gisburn.

The café area was previously a lounge/ storage area for the shop at the rear of the tradeable area, 29.5 sq m.

It is proposed to swap the kitchen and offices round. The office will be situated at the rear of the building, 11.5 sq m and the kitchen will be located to the right of the tradeable area, 17.5 sq m. The kitchen will be situated next to an enclosed yard. See attached plan.

The garage will continue to be used as a storage area.

The shop will sell fresh local produce and general convenience goods. However the business plan has identified that this would not be sufficient for the business to be viable. It is therefore proposed to provide a café/ take away food business. The café will seat 20 covers. The shop will also supply pre-prepared meals cooked on the premises.

### **Section 11 Vehicle Parking**

Customers to the post office parked their vehicles on Park Road opposite or in the lay-by on Park View, without causing any disruption or hazard to other road users. This parking is still available.

The Management Committee of the Village Hall, which is situated on Bentlea Road have been approached to see if they would object to the village hall car park on Burnley Road<sup>1</sup> being used by customers. This car park is situated approximately 100 metres from the shop.

---

<sup>1</sup> Marked on Ordnance survey plan in green.

A previous potential purchaser of the Post Office had approached the Village Hall Committee to see if it would be possible for café customers to use the car park, that proposal had been agreed in principle by the committee.

The village hall car park has space for approximately 20 cars and is little used apart from school opening and closing times and for meetings at the hall, which generally take place in the evenings.

The car park would therefore provide ample parking for shop and café customers, without inconveniencing the village or other road users.

### **Section 20 Employment**

The business will be a partnership between 2 villagers, who will work full time within the business. It is initially hoped to employ 3 part time staff. The total full time equivalent staff employed is envisaged to be 4. In due course it is hoped to increase the number of staff, by providing an outside catering service.

It is planned that local people will be employed within the business: Gisburn is an area where local employment opportunities are scarce.

Additionally the proposed owners have been in discussions with local producers with the intention, where possible, of sourcing produce from local suppliers, in line with the policy of Ribble Valley Borough Council to encourage local food heroes.

### **Section 21 Hours of opening**

Within the last 5 years the shop has been open from 7.00 am to 5.30 pm Mon and Tues, 7.00 am to 8 pm on Weds, 7.00 am to 5.30 pm Thurs and Fri, 7.00 am to 8 pm on Sat and 8 am to 12 noon on Sun.

The proposed opening hours are similar to those opening hours and would therefore not have a detrimental effect upon neighbours.
