Clitheroe makes up 25% of the RV population and we are expected to absorb more than 25% of the planned new development. Traffic on Waddington Road is a nightmare at the best of times add all the extra vehicles and Clitheroe will become a bottle neck. Particularly bad under bridge on Waddington Road which is a bad to exit; and floods regularly when there is heavy rain; where is this extra traffic to go? No further schools to be built and no extra healthcare provision either. You seem to expect RV residents to travel out of the area if necessary. Totally no thought through; houses may be necessary but have a logical plan and keep things fair above all.
Please set out what change(s) you consider necessary to make the Core Strategy legally compliant or sound, having regard to the test(s) you have identified at 5 above where this relates to soundness.

You will need to say why this change will make the Core Strategy legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Please note: your comment should cover succinctly all the information, evidence, and supporting information necessary to support/justify the comment and the suggested change, as there will not normally be another opportunity to make further comments based on the original comment made at the publication stage.

After this stage, further submissions will only be at the request of the Inspector, based on the matters and issues he/she identifies for examination in the forthcoming Examination in Public. Please note also that the Inspector is not obliged to consider any previous comments that have been made in respect of the Core Strategy. You are urged, therefore, to re-submit on this form any previously submitted comments that, in your view, remain valid and that you wish the Inspector to consider.

☐ No, I do not wish to participate at the oral examination  ☐ Yes, I do wish to participate at the oral examination

Q9 If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary. (Please note that the Inspector will determine who participates.)
