Dear Sir/Madam

Re: Core Strategy Whalley

I am writing to register my objections to the Core Strategy Plan.

You may well have followed "due process" but you have in no way addressed the issues/concerns of the residents.

The council's main aim appears to be more housing developments but no resolution of the problems suffered by the villagers.

The issues are still the same:

i) Excess traffic and pollution
ii) No parking for residents
iii) School places
iv) Infrastructure limitations - ETC ETC

Whalley should not be treated as a Service Centre. Every village should be treated the
Same, why should we be singled out.

You have permitted over-development of Kalley. It is just a pity, you didn't apply your "sandness" test when you granted 100's of houses to be built there.

Yours sincerely
