Dear Sir/Madam,

I am writing to you to strongly oppose the building of up to 1,670 houses in Chislehurst.

The town is so busy and dangerous now, we will soon be reaching gridlock.

We have a thriving tourist area and industry providing much needed employment; tourism brings in over a million pounds per year and more. This industry could be in jeopardy, who wants to visit a gridlocked town? Visit our schools at 3pm, the roads are dangerous with buses, parents can click. It is no place for a

city Centre, dumping and

P.T.A.

copy kept
dying traffic. Sewage and
wildlife are at breaking point.
We are being told if our schools
are full, we can bus our
children to other schools. How
green is that, and also not
very safe. Heath Centre is
at maximum. There are no
jobs for their council houses.
It just doesn't make sense.

Dofza has decreed Whalley Road
a heavy air management zone
due to high levels of nitrogen
dioxide. With all those extra
houses, extra cars will make
it very dangerous indeed.

If land is set aside for extra
schools, heath centres. There
is no extra money to find
them. This has happened and
was promised years ago in Whalley.
The promise was broken. It
strongly object to 1,610 additional.
houses being built in Athirampuzha.

I firmly believe this is our progress but destruction is a

Throwing maker town, right is

still right and wrong is still

wrong. This is wrong. I appeal
to you to help us.

Yours sincerely,
