Q2  Name / Name of organisation (if you are responding on behalf of an organisation)

Q3  To which part of the Core Strategy does this comment relate?
    Option analysis

    Part of document eg Key Statement reference, 'Vision' section etc...
    Many

    Paragraph No.

Q4  As a consequence do you consider the Core Strategy is:
    Yes
    No
    i) Legally compliant
    ii) Sound *

* The considerations in relation to the Core Strategy being sound are explained in the Guidance Notes

Q5  If you consider the Core Strategy is unsound, is this because it is not... (please tick the appropriate box)
    ✓ Justified
    ✓ Effective
    ✓ Consistent with national policy
    ✓ Positively prepared
Q6 Please give details of why you consider that the Core Strategy is not legally compliant or sound. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Core Strategy, please also use this box to set out your comments.

There is no clear basis for the option choices; using the requirements of "Multi-criteria analysis: a manual"; published by January 2009 Department for Communities and Local Government: London. No Critical Success Factors are shown - or justified for weightings. No 5-case justification is derived. Therefore; there are no grounds for an inspector to refuse applications by developers; as is already occurring. Reaction to earlier comment on these lines by the chair of the planning committee was "noted".

Q7 Please set out what change(s) you consider necessary to make the Core Strategy legally compliant or sound, having regard to the test(s) you have identified at 5 above where this relates to soundness.

You will need to say why this change will make the Core Strategy legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Correct the process errors previously noted. It is not my role to show the "professionals" in the council how to do their work.
Please note: your comment should cover succinctly all the information, evidence, and supporting information necessary to support/justify the comment and the suggested change, as there will not normally be another opportunity to make further comments based on the original comment made at the publication stage.

After this stage, further submissions will only be at the request of the Inspector, based on the matters and issues he/she identifies for examination in the forthcoming Examination in Public. Please note also that the Inspector is not obliged to consider any previous comments that have been made in respect of the Core Strategy. You are urged, therefore, to re-submit on this form any previously submitted comments that, in your view, remain valid and that you wish the Inspector to consider.

Q8 If your representation is seeking change, do you consider it necessary to participate at the oral part of the examination?
   No, I do not wish to participate at the oral examination
   Yes, I do wish to participate at the oral examination

Q9 If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary. (Please note that the Inspector will determine who participates.)
   These points have been made before but have been set aside.

Q10 If you wish to be kept informed as the Core Strategy progresses through to adoption, please indicate which of the following stages you wish to be informed of by ticking the box(es) below.
   Submission of the Core Strategy to the Secretary of State for independent Examination
   The publication of the Inspector’s report following the Examination
   The formal adoption of the Core Strategy
