Q5 If you consider the Core Strategy is unsound, is this because it is not... (please tick the appropriate box)
   ✓ Justified
   ✓ Effective
   Consistent with national policy
   Positively prepared
Q6 Please give details of why you consider that the Core Strategy is not legally compliant or sound. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Core Strategy, please also use this box to set out your comments.

The strategy does not support the Clitheroe area retaining its quality of life for residents which is made much of in the introduction to the document. The disproportionate amount of development focussed on Clitheroe and the surrounding area will be detrimental in terms of traffic congestion, service provision (education, health) and the loss of amenity caused by a new greenfield development. This large new development will significantly alter the character of Clitheroe and turn it into just one more “MacTown” with its historic buildings and unique atmosphere diluted by yet another modern housing estate. The core strategy does not take the views of the residents into consideration and has been pushed through without due regard for the wishes of the residents of the area. Opposition to these plans and to other housing developments has been strong and yet RVBC continues with its own agenda regardless.

Q7 Please set out what change(s) you consider necessary to make the Core Strategy legally compliant or sound, having regard to the test(s) you have identified at 5 above where this relates to soundness.

You will need to say why this change will make the Core Strategy legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.
Please note: your comment should cover succinctly all the information, evidence, and supporting information necessary to support/justify the comment and the suggested change, as there will not normally be another opportunity to make further comments based on the original comment made at the publication stage.

After this stage, further submissions will only be at the request of the Inspector, based on the matters and issues he/she identifies for examination in the forthcoming Examination in Public. Please note also that the Inspector is not obliged to consider any previous comments that have been made in respect of the Core Strategy. You are urged, therefore, to re-submit on this form any previously submitted comments that, in your view, remain valid and that you wish the Inspector to consider.

Q8 If your representation is seeking change, do you consider it necessary to participate at the oral part of the examination?
   - No, I do not wish to participate at the oral examination
   - Yes, I do wish to participate at the oral examination

Q9 If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary. (Please note that the Inspector will determine who participates.)

Q10 If you wish to be kept informed as the Core Strategy progresses through to adoption, please indicate which of the following stages you wish to be informed of by ticking the box(es) below.
   - Submission of the Core Strategy to the Secretary of State for independent Examination
   - The publication of the Inspector’s report following the Examination
