Dear Sir/Madam,

CORE STRATEGY CONSULTATION: objection to Local Housing Plan

I wish to object to the proposed housing development on the grounds that the effects of building additional houses in Clitheroe to the large, proposed, extent would ruin the charm of our small market town. Our little streets are not designed to carry the weight of more local traffic. Parking will be at a premium, and other municipal services and utilities would be over-stretched.

Clitheroe is a beautiful little town with great attraction for the day tripper, and for holiday makers in the Ribble Valley. Clitheroe would lose much of this charm if it is developed to the degree the council proposes resulting in less appeal for the holiday maker.

Further development would increase the necessity for more medical cover, more schooling, and bigger leisure facilities. The quality of life for the existing community and for the environment would be adversely affected.

Please take into account the feelings of the people who already live in this area and who love Clitheroe and do not wish to see it spoilt.

Yours faithfully,
