Please set out what change(s) you consider necessary to make the Core Strategy legally compliant or sound, having regard to the test you have identified at 5 above where this relates to soundness.

You will need to say why this change will make the Core Strategy legally compliant or sound. It will be helpful if you are able to put forward your suggestions in a clear and precise way. Please continue on a separate sheet if required.

Please note: your comments should cover succinctly all the information, evidence, and supporting information necessary to support/justify the comments and the suggested changes, as made at the publication stage.

After this stage, further submissions will only be at the request of the Inspector. You are not obliged to consider any previous comments that have been made in respect of the Core Strategy. You are urged, therefore, to re-submit on this form any previously submitted comments that, in your view, remain valid and that you wish the Inspector to consider.
