Valley residents.

RVEC believe there are numerous secondary schools in towns outside the Ribble Valley for Ribble Valley residents. The 1,710 new homes in Clitheroe will bring over 200 children to secondary school ages. Land at Standen Estates will be available for a primary school but there are no plans to build one. 

No money available to upgrade poor quality swimming facilities even though it needs maintenance. RVEC have no plans to fund a new sports centre.

There are no plans to increase public car park provision for the extra 2,269 cars.

RVEC hope to develop a Cycle Strategy for the town.

No new homes will be included in the Local Transport Plan over the next few years.

RVEC’s response is that the Local Transport Plan continues to have significant high priority improvement initiatives.

The Government’s new transport statement and Local Transport Plan should support all developments.

No new homes equal 4,325 extra people living in Clitheroe, all needing medical care.

New developments of substantial size will put pressure on existing refuse collections.

Failure will affect the quality of life for the local community and the environment.

Continued liaison is required to ensure timely delivery of a sustainable infrastructure.

No guarantees water and waste water services can be provided for extra substantial developments.

Building 1,710 additional houses in Clitheroe would be a SOUND infrastructure plan.

Here is a summary of the 2022 local housing plan produced by RVEC. This highlights the effects of

Housing Plan for the RVEC.

This plan is unsound on the basis of inadequate infrastructure.
