

## SUMMARY OF RESPONSES TO SUBMISSION VERSION LONGRIDGE NEIGHBOURHOOD PLAN

RESPONDENT	RESPONSE
<b>ORGANISATIONS</b>	
Network Rail	No comments
Highways England	No comments
Natural England	No specific comments
Lancashire Wildlife Trust	Comments in relation to policy LNDP3 and LNDP14. Information in relation to biological heritage sites, habitats, species and ecological networks provided in the response.
National Grid	No powerlines impact by plan.
Whalley Parish Council	Wish to be kept informed.
Longridge Heritage Centre Trust	Comments on the following policies: LNDP5 – 9 and LNDP13, 14, 15.
United Utilities	Encourages further consultation if any sites are allocated. Provides comments in relation to dealing with planning applications.
Ribchester Parish Council	Concerns regarding employment allocations, transport issues and car parking.
Barratt Homes	Concerns regarding consistency with basic conditions. Response provides comments in relation to vision and objectives and policies LNDP1, 2, 3, 8, monitoring and review and queries soundness of the neighbourhood plan.
Coal Authority	Note comments to make.
Lancashire County Council	Education and highways – comments regarding the approach to education planning and acknowledges the involvement of the school planning team in producing a plan and support for LNDP3. In relation to highways no additional comments.
Hothersall Parish Council	Issues relating to affordable housing, impact of new development on local services, economic development and impacts of development upon the AONB.
Whittingham Parish Council	Query regarding consultation and infrastructure.
Gladman Developments Ltd	Issues raised relating to vision and objectives, policy LNDP1, 2, 3 – proposals made that policies LNDP1 and 2 should be deleted. Concerns raised regarding funding for infrastructure in relation to new development. Policy LNDP8 concerns regarding extent of the policy in terms of protecting landscapes rather than mitigation.
NHS Property Services	Concerns that Policy LNDP12 protecting existing community facilities is too restrictive and that the policy should be amended to be more flexible with regard to NHS properties.
Historic England	No comments to make.
