- 5.1 The main indicator for Housing Benefit and Council Tax Support performance is known as Right Time. The benefit section also report on Local Performance Indicators that have been set within the department for benefit fraud and overpayments.
- 5.2 The Department for Work and Pensions does not require Local Authorities (LA's) to report on any other Performance Measures but encourages them to monitor their own performance locally.
- 5.3 We obviously consider it very important to monitor benefit fraud and also overpayment data.
