# RIBBLE VALLEY BOROUGH COUNCIL REPORT TO HEALTH AND HOUSING COMMITTEE

Agenda Item No 2

meeting date:21 JANUARY 2016title:REVISED REVENUE BUDGET 2015/16submitted by:DIRECTOR OF RESOURCESprincipal author:ANDREW COOK

#### 1 PURPOSE

1.1 To agree a revised revenue budget for 2015/16.

#### 2 BACKGROUND

- 2.1 The original estimate for this current financial year was set in March 2015. As members will be aware, there can be numerous variations to the budget that come to our attention as the year progresses, particularly through the budget monitoring process.
- 2.2 At this time of year we take the opportunity to revise the estimates for the current financial year in order to better assess the level of movement anticipated within our earmarked reserves and balances, and to allow us to better forecast for the coming financial year.
- 2.3 The 2015/16 budget included provision for price increases of 2% and for the settled pay award of 2.2% spread over two years (2014/15 and 2015/16), which equated to approximately 1% pay increase for 2015/16. Overall general inflation for the year has been less than this and of late has even been negative, the largest contributor to this being falling fuel prices.
- 3 REVISED REVENUE BUDGET 2015/16
- 3.1 The revised budget is £38,720 lower than the original estimate. This changes to £9,280 lower than the original estimate after allowing for transfers to and from earmarked reserves. A comparison between the original and revised budgets for each cost centre is shown below.

<sup>3.2</sup> The difference between the revised and original estimate is a net decrease in expenditure of £38,720. After taking into account transfers to and from earmarked reserves the revised estimate shows a decrease in net expenditure of £9,280. Detailed variations from the original estimate to revised estimate for each cost centre are shown at Annex 1. However, a summary of the main variances that contribute to the net decrease in expenditure is shown overleaf.

| Description   | Variances from original<br>estimate to revised<br>estimate<br>£ |
|---|---|
| <b>CTBEN - Localised Council Tax Support Administration</b><br>Following the introduction of Local Council Tax Support, and the move from Council Tax<br>Benefit, any previous years' overpayments of Council Tax Benefit recovered by the<br>Council are now retained by the Council, whilst any back payments of Council Tax<br>Benefits to claimants falls on the Council. The likely net position for 2015/16 is net<br>retained overpayments of £35,500.     | -35,500   |
| HOMES – Homelessness Strategy<br>The Council will receive some residual Single Homelessness Initiative grant monies from<br>the DCLG funded East Lancashire scheme. This residual grant is likely to be set aside in<br>the Government Housing Grants earmarked reserve at year-end, to support future<br>expenditure.  | -25,000   |
| <b>UCRED – Universal Credit</b><br>The Council has an agreement to provide services to Universal Credit claimants in the<br>borough on behalf of the DWP. Income to be received in 2015/16 for these services has<br>now been agreed with the DWP.  | -20,240   |
| SUPPE – Supporting People<br>A non-recurring domestic abuse additional support services grant of £28,370 has been<br>received from Lancashire County Council to cover additional services to be provided<br>between October 2015 and September 2016. Of this income, £14,180 will be spent on<br>service provision in 2015/16 and the rest will be set aside in the Government Housing<br>Grants earmarked reserve at year-end to support expenditure in 2016/17. | -14,190   |
| CTBEN – Localised Council Tax Support Administration and HGBEN – Housing<br>Benefits Administration<br>Increased allocation of IT system licence and support costs in-year to Housing Benefits<br>and Local Council Tax support, because of a change in IT cost allocations across various<br>cost centres.   | 10,400  |
| AWARM – Affordable Warmth<br>Estimated expenditure on affordable warmth schemes in-year of £33,020. The Council<br>has received a grant in 2015/16 from Lancashire County Council of £16,830 to help fund<br>this expenditure. The estimated increase in net expenditure will be funded by amounts<br>previously set aside in the Government Housing Grants earmarked reserve for affordable<br>warmth.   | 16,190  |
| HGBEN - Housing Benefits Administration<br>An allowance for bad debt has been made in the budget. This relates to sundry debtors<br>raised for Housing Benefits overpayments to be recovered from people no longer on<br>benefits. The overpayments debtors balance outstanding is increasing year-on-year and<br>some of the debts are difficult to collect.   | 30,000  |

## 4 CONCLUSION

4.1 The revised budget is £38,720 lower than the original budget. After taking into account transfers to and from earmarked reserves the revised budget is £9,280 lower than the original estimate.

### 5 RISK ASSESSMENT
