RIBLE VALLEY BOROUGH COUNCIL
REPORT TO HEALTH & HOUSING COMMITTEE

meeting date: THURSDAY, 23 MARCH 2017

Agenda Item No. 8

1 PURPOSE

1.1 To update Members with progress from the Council’s involvement in the White Ribbon Campaign, agreed at Health and Housing Committee meeting on 20 October 2016 (Minute 328).

1.2 To inform Members of the proposal to extend Ribble Valley’s White Ribbon accredited status from April 2017 for a further two years, in partnership with the Office of the Police and Crime Commissioner (PCC), Lancashire County Council and all 12 Lancashire Districts.

1.3 To recommend to Members updated actions the Council will need to agree as part of extending Ribble Valley’s White Ribbon accredited status.

1.4 Relevance to the Council’s ambitions and priorities:

• Community Objectives
• Corporate Priorities
• Other Considerations

Ribble Valley Borough Council has a duty to protect its residents and the area in general from domestic abuse and support any campaigns which support that aim.

2 BACKGROUND

2.1 The White Ribbon Campaign is aimed at raising awareness of domestic abuse and particularly encouraging men to sign a pledge saying they will never condone domestic abuse or stand by when they know it is happening. It provides an opportunity to take a preventative approach to domestic abuse by encouraging men to promote a change of attitude to violence against women. It also encourages men to use their influence to raise awareness and to take a stand against this form of abuse.

2.2 The campaign enhances the Lancashire 12 domestic abuse commissioning strategy by enabling males to take a stand against gender based violence and encouraging men and boys to challenge beliefs and attitudes.

2.3 The aims of the White Ribbon Campaign are to:

• promote respectful relationships and non-violence in all aspects of life;
• mobilise men to support anti-violence against women which increases the message in effectiveness and reaches all Lancashire communities;
• address and alter social norms that lead to violent behaviour against women and increasing awareness on the issue.
2.4 Lancashire County Council and many Lancashire district councils mark White Ribbon Day on 25 November each year and 16 days of action immediately after this date through a variety of events and social media action.

3 ISSUES

3.1 In March 2015, Lancashire County Council made an application on behalf of a number of districts across Lancashire to become accredited and paid the relevant fee. Therefore Ribble Valley is an officially accredited White Ribbon Council until the end of March 2017.

3.2 It is proposed that Lancashire authorities work together to gain accredited status for a further two years, led by the Office of the Police and Crime Commissioner (OPCC).

3.3 Key organisations supporting the campaign are:

- Lancashire County Council
- Lancashire Constabulary
- Lancashire Fire and Rescue Service
- All 12 District Councils

3.4 An action plan was recently developed to fulfil the Council’s commitment to the White Ribbon Campaign, agreed at Health and Housing Committee meeting on 20 October 2016 (Minute 328). In order to meet the White Ribbon Campaign’s requirements and gain accredited status for a further two years from April 2017, this plan has been updated and is attached at Appendix 1 – this is currently in draft form until approved by White Ribbon. Many of the actions within this plan are to be led at County level by either the PCC or Lancashire County Council. All District Councils’ action plans will be submitted to White Ribbon by the Office of the Police and Crime Commissioner (OPCC).

3.5 The action plan agreed at the Health and Housing Committee meeting on 20 October 2016 was taken to the Community Safety Partnership to gain their support and the Partnership will be updated on this new action plan if agreed.

3.6 The White Ribbon Campaign requires a fee from Local Authorities to be accredited. This fee, normally £500, has been reduced to £350 by White Ribbon and the PCC will fund the first £200, meaning the Council’s contribution will be £150 for two years.

4 RISK ASSESSMENT

4.1 The approval of this report may have the following implications:

- Resources – Officer time to act as coordinator for the campaign and also to implement actions.
- Technical, Environmental and Legal – None identified
- Political – It is important for the Council to be seen as supporting initiatives which raise awareness of domestic abuse and to impact on individuals – this is a key opportunity to do this with partners across Lancashire.
- Reputation – It will enhance the reputation of this Council to support the White Ribbon Campaign along with other Lancashire districts.
- Equality & Diversity – None identified.
5 **RECOMMENDED THAT COMMITTEE**

5.1 Agree to support the pan-Lancashire White Ribbon Campaign by agreeing the actions contained in the attached plan. This will lead to Ribble Valley becoming a White Ribbon accredited Council.

White Ribbon Towns Award Action Plan

Please note that this action plan is a template, designed to guide you in constructing an anti-Violence Against Women & Girls (VAWG) campaign targeted at men and boys. We have included some additional activities at the end of the document which are not essential but signify good practice. We will assess the award on the evidence of work completed and/or the inclusion of clear targets to show that the essential criteria (actions 1-5) can be achieved. Guide notes are provided below to assist you in completing the plan.

OPCC NOTE: Where Lancashire Victim Services is mentioned, activity takes place which is commissioned by the Office of the Police and Crime Commissioner (OPCC) on behalf of Lancashire County Council, the 12 district councils and Lancashire Constabulary.

Guide Notes

1. Management & Leadership
   i. Appointing a lead officer responsible for overseeing the actions will help the campaign gain momentum and achieve the activities planned.
   ii. Using the action plan to monitor progress will enable WRC UK to ensure the award scheme is being adhered to and will also enable the authority to evidence work undertaken.
   iii. Application for a further award will be assessed against the activities completed, and outcomes achieved, in the previous 2 years. This should be reported on in column 1 – use a separate sheet if more space required.

2. Domestic Abuse Strategy
   i. As outlined above – it is recognized that in order for the White Ribbon Campaign (WRC) to be effective services to support those escaping abuse need to be in place. If we are to raise awareness of the problem, then support must be available to those who seek help.
   ii. Education is at the heart of the campaign. WRC believes that education that seeks to engage young men and boys in transformative learning is key to changing attitudes and behavior in future. We recommend that programs are commissioned that are directed towards boys and men and that this is reflected in the PHSE curriculum in schools.
   iii. Domestic Abuse Policy – as an employer the local authority needs to support its staff. Given the statistic that one in four women will experience abuse in her lifetime there will be a significant number of employees in need of support in the workplace.
   iv. Training – WRC recognize that local authorities will already have domestic abuse training programmes in place. We recommend that the programmes are fully supported and resourced, and that information about the WRC and the role
White Ribbon Towns Award Action Plan

men can play in challenging abuse be included in all training materials. WRC can assist with this and provide resources, materials about the campaign for handouts/e-learning etc.

3. Ambassadors & Advocates
   i. We recommend 4 ambassadors lead on campaign activities. This will help reinforce the campaign message and enable men to identify with the message.
   ii. Pledge – taking the pledge is a first step in taking part in the campaign and is a good way of raising the profile and engaging men.
   iii. Ambassador Training – WRC provide training for Ambassadors. As soon as the applications are received and have been processed we will arrange training and provide resource information.

4. Communication Strategy
   i. WRC’s aim is to support and work alongside existing work taking place to support victims of abuse – in particular to provide accessible information for members of the community to report abuse and promote a coordinated community response.
   ii. In addition to promoting information on what support and help is available, we would like to see local authorities utilise publicity materials directed towards men so that they can be encouraged to take part in condemning violence against women. The aim of the campaign is to recruit male members of society to get involved in our work and feel that they can be part of the solution.
   iii. LOGO – once you receive the award we suggest you demonstrate your commitment by displaying the logo on letterheads, signage, websites etc.
   iv. Set up a monitoring system to enable staff and local communities to feedback on their experience of the campaign so that you we can monitor its effectiveness.

5. Community Engagement
White Ribbon Towns Award Action Plan

i. Community events are an effective way of raising the profile of the campaign and reaching out to communities who may not engage with services or are hard to reach. We suggest aiming for three per year – one of which could coincide with 25th November. See resource sheets and information pack for Ambassadors for ideas on organizing events.

ii. Sports – Sports venues and sporting events are a great way to raise the profile of the campaign and the issue of violence against women with men who are either taking part or as a spectator. WRC currently employs an Ambassador – Ikram Butt – he has a wealth of experience in the sporting world and can lead on recruiting and supporting sports clubs and venues to achieve our WRC Sports Award. If you would like to develop the sport activities as part of your actions please contact the office so that we can put you in contact with Ikram.

iii. Music Venues – festivals, concerts, night clubs all provide a great opportunity to engage men in the campaign and raise the profile of all forms of abuse. WRC employs an Ambassador – Dave Boardman – to work with venues and support them in becoming WRC accredited.

iv. White Ribbon Day 25th November and UN International End Violence Against Women Day – this day is an extremely important day for the WRC as it shows the international reach of the campaign as thousands of people commemorate the day and organize events across the world to raise the profile of the campaign to end violence against women and girls. It provides a focal point for activities and is a great way to promote your work.

v. 16 Days of Action – 25th November until 10th December – the campaign runs from the 25th November which is UN International Day of Elimination of Violence against Women to 10th December – Human Rights Day. The campaign spans these days in order to highlight the link between violence against women and human rights. The 16 Days includes other significant dates such as Human Rights Defenders Day (29th November) and World Aids Day (1st December) and the anniversary of the Montreal Massacre (6th December – which was the event which precipitated the start of the White Ribbon Campaign in Canada where a student shot 6 female students).

6. Additional Actions

Zero limit on sex establishments – Lap dancing clubs are currently licensed under the Licensing Act 2003. Critics have argued that this regime is too lax for controlling such venues and have called for them to be reclassified as “sex encounter establishments” under earlier (but still current) legislation. Following a consultation with local authorities and in response to widespread public concern at the proliferation of such
White Ribbon Towns Award Action Plan

clubs, the Government introduced the Policing and Crime Act 2009. As a result, from 6 April 2010, local authorities will be able to require all lap dancing clubs in their area, including existing venues, to apply for a sex establishment license if they want to continue to operate lawfully. Where the new provisions are adopted, local people will then be able to oppose an application for a lap dancing club on the basis that it would be inappropriate given the character of their local neighbourhood.
