Dear Resident

RE: 3 STREAM WHEELED BIN REFUSE COLLECTION AND RECYCLING SERVICE

Following a highly successful trial of the Council's new wheeled bin refuse collection and recycling service I am pleased to be able to tell you that the new service is coming to your area and will start week commencing **29th October 2007**.

For reasons of difficult access, limited storage space and operational efficiency the refuse and materials for recycling to be collected from your property and that from others in the immediate vicinity will be picked up in large wheeled bins provided for communal use and then to be left out at a suitable location for ease of collection. A plan is attached to this letter showing where the bins should be left for emptying.

The wheeled bins provided for you will be shared with the properties whose addresses are listed at the bottom of this letter.

Shortly the new wheeled bins will be delivered along with an information pack which will tell you all the information you need regarding the use of your wheeled bins and will include a calendar that tells you the day on which your wheeled bins will be emptied.

Please take time to read the contents of the leaflet but if you require any further advice or information please call our operators on the Refuse & Recycling Help Line on 01200 414599 or visit the Council's website at www.ribblevalley.gov.uk

Yours sincerely

A handwritten signature in black ink that reads "Graham Jagger".
