INFRINGEMENT POINTS SCHEME (Hackney Carriage)

RIBBLE VALLEY BOROUGH COUNCIL'S LICENSING DEPARTMENT

The Infringement Points Scheme will operate as follows:-

1. The Council's Enforcement Policy will be fully considered when determining the manner in which any offence or breach of licence conditions is dealt with. Where it is decided that the use of the infringement points system is appropriate, the points will be recommended dependent upon the type of offence or breach of licence conditions by the Electoral and Licensing Officer or Taxi Enforcement Officer based on the table below. Prior to the issue of infringement points to a licensee, the contravention(s) will be reviewed by the Head of Legal and Democratic Services so as to ensure that the appropriate action is being taken and then, if approved, the points will be issued by the Electoral and Licensing Officer.
2. A maximum of twelve infringement points will be issued on any one occasion. This means that if on any occasion when it is proposed to impose infringement points, the licence holder has committed more than one offence or breach of licence conditions, no more than 12 points will be imposed.
3. Points issued to either the proprietor or driver will be confirmed in writing within 10 working days from the discovery of the contravention.
4. When issued, the infringement points will remain "live" for a period of two years from the date they are imposed so that only points accumulated in a rolling 24 months period will be taken into account. If a driver or proprietor accumulates twelve or more points or an operator accumulates 20 or more points within a period of two years from the date they are imposed, he/she will be brought before a Sub Committee of the Council's Licensing Committee for appropriate action to be taken.
5. Where a driver is brought before the Committee, the options available to the Committee will be to suspend or revoke the driver's licence, where Members are satisfied that the driver had failed to comply with the provisions of the Local Government (Miscellaneous Provisions) Act 1976 or the Town Police Clauses Act 1847 or have a reasonable cause

for believing so. If the members of the Committee do not feel that the matter warrants revocation or suspension of the licence, they may extend the period for which the points are to remain "live" or issue a warning to the driver.

6. Periods of Suspension of a Licence will be dependent on the nature of the breaches of the legislation and the compliance history of the individual. Suspension periods will normally vary between 7 to 31 days. More than one accumulation of infringement points in excess of a personal threshold in any three-year period will result in the Committee reviewing whether the individual is suitable to continue holding licences with the Authority
7. Once the matter has been dealt with, the points will be removed if a suspension or revocation is imposed. However, if the period is extended or a warning given, the points will remain "live" for the normal two-year period.
8. A driver will retain the right to be represented at the hearing before the Licensing Committee either legally or otherwise and to put forward such evidence as he/she deems necessary.
9. Even though infringement points have been issued, if it is found that the driver has been issued with infringement points or has been formally cautioned for similar offences the Council retains the right to cancel the infringement points and deal with the matter in accordance with the Enforcement Policy.
10. Any person aggrieved by the issue of Infringement points may appeal, in writing, within 14 days of the issue of the Infringement points Notice, to the Council's Licensing Sub Committee, c/o The Electoral and Licensing Officer.
11. The system will operate without prejudice to the Council's ability to take other action that it is entitled to take under legislation, by-laws and regulations.
