Most of our sales will be taken off the premises, but we would also like the option for consumption on the premises (in the rear courtyard and upstairs seating area as shown in the submitted floor plans) Our focus is mostly on locally sourced products, and the shop will have a relaxed atmosphere, opening only between 09:00 and 18:30.

## **M**

Describe the steps you intend to take to promote the four licensing objectives:

**a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)**

All staff involved in the sale of alcohol will be trained in the licensing objectives to reduce crime and disorder, upkeep public safety, prevent public nuisance and protect children from harm. Training will be documented for the licensing officer, and all staff will have refresher training every 12 months.

**b) The prevention of crime and disorder**

CCTV shall be installed with clear signage to make customers aware - it will record 24 hours a day, and be of evidential quality. Recordings will be retained for 31 days, and be made available on request to the relevant authorities. The premises is alarmed & will send an alert to call the police in the event of any out of hours intrusions.

We will also keep an incident register of any ejections or unpleasant experiences if they arise.

**c) Public safety**

Appropriate fire safety measures (clear signage, fire extinguishers on each floor, multiple exits where possible) will be implemented by a qualified installer. No exits will be blocked and electrical equipment will be PAT tested when needed.

Any sharp/potentially dangerous products (bottle openers, kitchen knives etc) will only be sold to customers aged 18+, who are of sound of mind - we will assess this on a case-by-case basis at time of sale.

**d) The prevention of public nuisance**

Due to the nature of the shop, noise pollution will be at a minimum - There will be no live performances of any kind, and all customers will leave the building at 18:30. There will be no odours emanating from the building as we will only be providing cold food such as cheese and cured meat. Litter will be placed in a covered bin store in the rear garden, and refuse sorting will not take place outside between 10pm and 8am.

The front entrance and rear area of the premises will be kept clean and free from litter and obstacles, and signage will not be placed in areas that block public walkways. All sales of alcohol for consumption off the premises will be made in sealed containers.

**e) The protection of children from harm**

We will enforce a strict 'Challenge 25' policy to purchase alcohol - any person who appears under the age of 25 will be required to provide either a valid passport or driving license, to prove they are over 18.  
All staff will be trained and documented regarding this policy with refresher training available.  
Children under the age of 16 will be required to be accompanied by an adult.

15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be issued to an individual or an individual in a partnership which is not a limited liability partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

They do this in one of two ways:

- 1) by providing with this application, copies or scanned copies of the documents which an applicant has provided, to demonstrate their entitlement to work in the UK (which do not need to be certified) as per information published on gov.uk and in guidance.
- 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

#### **Home Office online right to work checking service.**

As an alternative to providing a copy of original documents, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth, will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service.

Applicants who are unable to obtain a share code from the service should submit copies of documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.
