### LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

1. No alcohol served when there is no DPS available
2. All reasonable steps will be taken to ensure that staff do not carry out irresponsible promotions that could lead to crime and disorder, prejudice public safety, cause public nuisance or harm to children
3. No encouragement of over drinking or consuming large amounts of alcohol in a short period of time
4. Free tap water is to be provided to all customers
5. Age verification will be carried out, anyone who appears to be under 18 will be requested to produce ID
6. Alcoholic drinks will be limited to Wine, Champagne, Prosecco and canned mixed drinks such as gin and tonic or vodka and coke. The alcohol on the premises is very limited to accompany the afternoon teas in the summer months

b) The prevention of crime and disorder

1. CCTV is not currently available, however we intend to install this before we start to sell alcohol
2. It will be a very low risk of crime given that the customer base is expected to be older people in the area
3. Any CCTV will be in the main dining area with a clear view of people entering and leaving
4. In the absence of a DPS, the person responsible shall be trained in the use of CCTV
5. An incident book will be used to log any incidents and made available to the police should they need it
6. Only the DPS can authorise persons to make sales of alcohol
7. A policy will be in place detailing minimum drinks price and binge drinking
8. The DPS will join the local club or pub watch initiative
9. No member of staff under 18 shall be permitted to sell alcohol
10. Last orders for the sale of alcohol will be 16:00 for food and alcohol
11. No customer shall be permitted to leave the premises with bottles or glasses

c) Public safety

1. Prior to any potential licensable activities, a written risk assessment will be carried out to determine whether door supervisors are required, this will be made available to any authority that needs to see it
2. Any customer who poses a risk to the public shall be made known to the police

d) The prevention of public nuisance

1. No amplified music will be played in the cafe/dining area
2. The DPS will routinely check from outside that the background music in the dining area is not heard
3. The area is mostly commercial but signs will be placed to ask customers to leave quietly
4. There will be a written notice and a policy on how to deal with customers who cause a disturbance
5. Customers will be asked not to congregate outside any doorways
6. Saar Cafe staff will ensure that the front of the building will not have any litter from its customers (other units will need to manage their own litter)
7. Information will be available to customers of the nearest transport services available, taxis, buses etc

e) The protection of children from harm

1. A Challenge 25 scheme will be operated at the premises, anyone who appears to be under 25 will be asked for proof of ID such as passport, driving license, PASS card, HM Forces card

*Continued from previous page...*

2. All staff will receive training in relation to age related sales. Training will be recorded and kept at the premises for inspection if needed. Refreshers every 12 months

### NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

#### Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

#### Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

**Continued from previous page...**

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
  - evidence of the applicant's own identity – such as a passport,
  - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
  - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
    - (i) working e.g. employment contract, wage slips, letter from the employer,
    - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
    - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
    - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

**Original documents must not be sent to licensing authorities.** If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

***Continued from previous page...***

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

#### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
