From opening in 2023 we have had a license and it was available to 2am but we never used the license to those hours. Section 18 of 21

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

Well trained staff will contribute to well run premises and a responsible approach to the sale of alcohol and provision of recorded music.

All staff will be made aware of licensing law in writing before they are allowed to serve alcohol or play recorded music. They will be trained on premises specific policies and training dates will be recorded.

b) The prevention of crime and disorder

We have a security alarm fitted on the premises. Emergency exits are enabled and alarmed when open to the public. All staff areas are lockable. Staff will be trained on premises security. There cctve cameras and external lighting to deter criminals. Alternative drinking vessels will be provided for outdoor events.

c) Public safety

Risk assessment to be carried out and shared with all staff. A copy will be kept on site. First aid boxes are on site. We have first aid trained staff on duty. All temperature levels are recorded and monitored. Premises capacity is enforced. Fire alarms are in place and fire exits are all visible and accessible. An accident book is kept on site. All equipment is maintained and staff trained to use properly.

d) The prevention of public nuisance

The premises will operate in a manner that minimises the risk of public nuisance to local residents and neighbouring businesses.Noise levels from the premises, including music and customer activity, will be carefully controlled to ensure they do not cause disturbance beyond the immediate vicinity. Any regulated entertainment will be managed at an appropriate volume, and doors and windows will be kept closed where necessary to contain sound.Clear signage will be displayed requesting customers to respect local residents and leave the area quietly, particularly during the evening. Staff will actively monitor customer behaviour both inside and immediately outside the premises to ensure noise is kept to a minimum.The dispersal of customers will be managed responsibly, with staff encouraging a calm and orderly departure from the premises. Where appropriate, customers will be reminded to be mindful of neighbours when leaving.Deliveries, waste collection, and bottle disposal will be scheduled at reasonable hours to avoid disturbance. External areas will be regularly checked and kept clean and free from litter.Any plant or equipment associated with the premises will be properly

Continued from previous page...

maintained to prevent noise or vibration nuisance. Management will maintain a proactive approach and respond promptly to any complaints, taking appropriate action to resolve issues and prevent recurrence.

e) The protection of children from harm

The premises operates primarily as a daytime café with a strong family-oriented customer base. As such, the protection of children from harm is a key priority in the day-to-day running of the business. A strict Challenge 25 age verification policy will be implemented for any sale of alcohol. Any customer who appears under the age of 25 will be required to provide valid photographic identification, such as a passport or driving licence. Clear signage will be displayed throughout the premises to support this policy. All staff will receive training on age-restricted sales, including recognising acceptable forms of identification, refusing service where appropriate, and identifying potential proxy purchases. Refresher training will be carried out regularly to maintain high standards of compliance. A refusals register will be maintained and regularly reviewed by management to ensure procedures are being followed and to identify any patterns of concern. Given the nature of the business as a café environment, alcohol sales will remain ancillary to food and non-alcoholic beverage service. The premises does not operate as a vertical drinking establishment, and no activities or entertainment of an adult nature will be provided. Children will be accompanied by a responsible adult at all times whilst on the premises. The environment will be maintained as safe, welcoming, and appropriate for families. Management will take a proactive approach to safeguarding, ensuring that any concerns relating to the welfare of children are dealt with promptly and appropriately.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
