Section 18 of 21

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

Continued from previous page...

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

Upon commencement of their employment, all staff who are involved in the sale of alcohol will be trained in relation to the licensing objectives so as to reduce crime and disorder, promote public safety, prevent public nuisance and promote the protection of children from harm. Refresher training will be provided at least once every twelve months and all training will be documented and made available to an authorised officer upon request.

b) The prevention of crime and disorder

A CCTV system shall be installed at the premises and will meet the following criteria:

- The system will display on any recording the time and date of said recording;
- The system will be recording whenever the premises is open to the public;
- Any recordings will be retained for a minimum of 28 days after they are made and will be produced to an authorised officer upon request, so long as said request is in accordance with the principles of the Data Protection Act or any subsequent or alternative legislation;
- As a minimum, the CCTV will capture a "head and shoulders" image of any person who enters the premises through the main public entrance.

A competent person trained in the use of and operation of the CCTV will be in attendance at the premise at all times that licensable activities are taking place. Said person will be able to fully operate the CCTV system and be able to download data in a recognised format when requested.

An incident register of any occurrences or ejections from the premises will be maintained at the premises and details of any public order offences will be recorded. Said register will be made available upon request to an authorised officer.

The premises will have a written zero tolerance drugs policy which is enforced at all times.

c) Public safety

Any sales of alcohol knowingly made for consumption off the premises will be made in a sealed container. This condition will not apply to any external area under the control of and operated by the Premises Licence Holder.

d) The prevention of public nuisance

On any occasion that regulated entertainment is carried on at the premises, regular assessments of the noise emanating from the premises will be undertaken. Wherever said assessments indicate that noise is likely to cause nuisance to any local residents, remedial action will be taken. Said assessments will be documented and produced to an authorised officer upon request.

The premises will have a written dispersal policy designed to encourage patrons to leave the venue and the area quickly and quietly.

e) The protection of children from harm

A "Challenge 25" Policy shall be adopted and enforced at the premises whereby any person who appears to be under the age of 25 shall be required to provide identification to prove that they are over the age of 18 before they are permitted to purchase alcohol. The only forms of acceptable identification will be:

- A Passport;
- A UK Photocard Driving Licence;
- Official ID card issued by HM Forces or EU bearing a photograph and the date of birth of the holder;
- Any other form of identification agreed with a representative of the Police Licensing Unit.

All staff who are involved in the sale of alcohol will be trained in relation to the "Challenge 25" policy upon the

commencement of their employment, following which they will undertake refresher training at least once every twelve months. Said training will be documented and will be made available to an authorised officer upon request.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
