Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

Upon commencement of their employment, all staff who are involved in the sale of alcohol will be trained in relation to the licensing objectives so as to reduce crime and disorder, promote public safety, prevent public nuisance and promote the protection of children from harm. Refresher training will be provided at least once every twelve months and all training will be documented and made available to an authorised officer upon request.

b) The prevention of crime and disorder

A CCTV system shall be installed at the premises and will meet the following criteria:

- The system will display on any recording the time and date of said recording;
- The system will be recording whenever the premises is open to the public; and,
- Any recordings will be retained for a minimum of 28 days after they are made and will be produced to an authorised officer within seven days of such a request, so long as said request is in accordance with the principles of the Data Protection Act or any subsequent or alternative legislation.

Appropriate signage alerting customers to the use of CCTV shall be displayed in a conspicuous position at the premises.

An incident register of any occurrences or ejections from the premises will be maintained at the premises and details of any public order offences will be recorded. Said register will be made available upon request to an authorised officer.

Prior to any occasion on which licensable activities are to be carried on at the premises, a risk assessment will be carried out to determine whether door supervisors are required. An appropriate number of door supervisors will be utilised in accordance with said risk assessment.

The premises will have a written zero tolerance drugs policy which is enforced at all times.

c) Public safety

Any sales of alcohol knowingly made for consumption off the premises will be made in a sealed container.

d) The prevention of public nuisance

On any occasion that regulated entertainment is carried on at the premises, regular assessments of the noise emanating from the premises will be undertaken. When regulated entertainment takes place in the area marked "Multipurpose Space" on the plan accompanying the licence or in external areas, said assessments of noise will take place at least once in each hour, and in the event of any complaints about noise being made in relation to regulated entertainment, an assessment will be made immediately. Wherever said assessments indicate that noise is likely to cause nuisance to any local residents, remedial action will be taken by reducing the volume of the entertainment immediately.

On any occasion that it is known in advance an event involving the carrying on of regulated entertainment is likely to result in more than 1,000 attendees being on the premises at any one time, a Noise Management Plan in respect of the event will be provided to the Environmental Health Department of the local authority at least one month in advance of the event (or as soon as reasonably practicable). The Noise Management Plan will specify the nature of the event, any risks that have been identified relating to noise and/or nuisance, and any mitigating measures that the premises intend to take in respect of said risks. For the avoidance of doubt, the ordinary operation of the premises will not fall within the definition of "event" for the purposes of this condition.

Where an event will involve regulated entertainment being carried on outdoors post 23:00 at the premises, a noise management plan shall be undertaken in respect of the event. The noise management plan shall be submitted to the Environmental Health Department prior to the event. The noise management plan shall include noise mitigation strategies to be employed by the operator or any other persons operating at the premises. If complaints are received following any of these events by the Environmental Health Department the noise management plan will be revisited and changes will be made with the aim of mitigating reported issues on the basis of available evidence.

Notices will be placed in a prominent position at public exits requesting that customers leave the premises and the area quietly.

Anyone causing a nuisance in the disturbance inside the marquee / stretch tent will be removed from the marquee / stretch tent.

e) The protection of children from harm

There shall be no persons under the age of 18 permitted on the premises after 21:00 unless they are attending a pre-arranged private function or accompanied by a responsible adult.

A "Challenge 25" Policy shall be adopted and enforced at the premises whereby any person who appears to be under the age of 25 shall be required to provide identification to prove that they are over the age of 18 before they are permitted to purchase alcohol. The only forms of acceptable identification will be:

- A Passport;
- A UK Photocard Driving Licence;
- Official ID card issued by HM Forces or EU bearing a photograph and the date of birth of the holder;
- Any other form of identification agreed with a representative of the Police Licensing Unit.

All staff who are involved in the sale of alcohol will be trained in relation to the "Challenge 25" policy upon the commencement of their employment, following which they will undertake refresher training at least once every twelve months. Said training will be documented and will be made available to an authorised officer upon request.

15. **Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
