S01 - PROPOSED SLAB, STEPS & RETAINING-WALL PLAN

Existing slab retained and extended; adjoining bed, retaining wall and access revised.

GROUNDWORKS NOTES

01 Existing slab retained at present level.

02 Add 390mm at right-hand end.

03 Add 270mm to driveway-facing edge.

04 Extended slab completely covered by cabin.

05 Planting bed up to approx. 1m wide at left-hand end; narrower to right.

06 Low wall approx. 250mm thick; retained / locally realigned.

07 Steps interrupt wall at central path.

08 Former Leylandii bed replanted.

DIMENSIONS

Plan geometry and wall curve based on owner measurements; dimensions approximate.
